

**ANEX no. 1 to "RULES OF PARTICIPATION IN THE ERASMUS + KA131 PROGRAM AT  
THE MEDICAL UNIVERSITY OF LODZ IN THE ACADEMIC YEAR 2023/2024." of  
November 8, 2023**

**MOBILITY FOR TRAINEESHIPS**

**I. Rules for recruiting students for internships abroad under the Erasmus+ program**

**The paragraph changes:**

The Medical University of Lodz will finance trips of no less than 60 days and no longer than 90 days in the case of long-term mobility and 14 days in the case of short-term doctoral students and BIP. The remaining students will receive a place for internship without a scholarship.

**II. Rules for financing students going on internships under the Erasmus+ program**

**The point changes:**

2. The Medical University of Lodz will finance trips of no less than 60 days and no longer than 90 days in the case of long-term mobility and 14 days in the case of short-term mobility.

Longer trips (over 3 months to 12 months) will be financed if the funds available to universities allow them to be financed.
